Auckland Sexual Health Service

Introductory Seminar on Sexual Health

(including STI's, HIV and AIDS)

?

Unsure of what to say

Don't know how to approach the subject

Have a feeling something is not quite right

In this two day seminar, you will be introduced to skills and information which will enable you to provide holistic care which acknowledges sexuality.

Subjects covered include: sexuality, diversity, sexual decision making, overview of STI's, HIV and AIDS, taking a sexual history, pre and post test counselling, providing sexual health for Maori and refugee issues.

Dates

March13th & 14th
May 29th & 30th
October 23rd & 24th

Note: This is a two day Seminar, with three scheduled date options occurring during the year.

The cost of the seminar is **$200.00** per person (including GST).
